Brown Bag: CBSA Webinar to share the Commercial Building Stock Assessment -

Commercial buildings come in many shapes and sizes. Join us on Wednesday, May 20th from 12:00 -1:00 p.m. to learn about the recently completed CBSA and discover what we have learned about commercial buildings. You will learn why the CBSA matters for the region, how to access the data and reports and what interesting findings were discovered...[More](#)

Efficiency Exchange Video Coverage Now Available -

All of the general sessions and large breakout session videos are [now available on Conduit](#). We hope you learn from and share these videos to keep the conversations going. You can also see interviews with some of our speakers, including keynote speaker Jeremiah Owyang.

To see all conference-related content, including a [list of available presentations](#), attendee coverage, photo galleries and more, visit Conduit's [Efficiency Exchange Northwest tag](#). Session presentation slides are still coming in on Conduit.

We encourage you to fully utilize Conduit as your regional online collaboration and learning tool. Ask questions and engage in discussion!

Finally, if you haven't filled out a conference evaluation yet, we still want your feedback. We take your comments and suggestions seriously so we can continue to improve and make the most of this conference for the region. Take the survey via the Efficiency Exchange app or by [clicking here](#).

Thank you to everyone who joined us in Portland. We hope to see you next year in Coeur D'Alene, April 26-28, 2016!

General

USB Meeting on May 13 -

The Utility Sounding Board is a consultative body to support the implementation of BPA efficiency programs. The USB provides recommendations on tools, materials, third party programs, regional infrastructure needs and peer sharing approaches to enhance the effectiveness of efficiency programs.

In an effort to foster communication between USB members and the rest of BPA's utilities, BPA will be publishing the preliminary agenda for each monthly meeting the week prior. If you have comments or questions on any of these topics please reach out to any of the current USB members listed on this [page](#).

Preliminary topics for the meeting include:

- Discussion of PTCS Q&A
- Efficiency Exchange wrap up and lessons learned
- Review and comment on draft regional programs value proposition documents
- Brainstorming on the role of regional programs in the region
- Discussion of a variety of emerging tech programs

Reminders

Get Conduit Ed - Do you Want to Know More About Emerging Technology?

At the Efficiency Exchange conference Conduit launched a brand new educational program called Conduit ED. This new web-based educational program provides the Conduit community a unique and interactive educational resource. Conduit ED: no costs, no tests, no limits. [Sign up](#) for the very first series on Emerging Technology, starting in May!
